My girlfriends gave me this stainless steel double dong at my bridal shower last year. My husband doesn't know I even have it.

Well – it and I have become good friends. It never talks back to me. It's always there when I need it. And it's always HARD!

Next week I've invited my best girlfriend over for some fun. I've never shared this with anyone, so I can't wait to see her face when I pull it out and then put it in her. I can't wait.

Is there anything else you would like to see me do with this beautiful sexual instrument?
If you're over 18 you can call me and tell me what you want to see.

I HOPE YOU LIKE THESE PHOTOS. I HAD A GREAT TIME DOING THEM. THE PHOTOGRAPHER TOLD ME TO THINK ABOUT THE HOTTEST SEX I EVER HAD. I LAUGHED AND TOLD HER IT HASN'T HAPPENED IT YET.

SHE TOLD ME TO IMAGINE IT AND I DID. IT WAS WITH HER AND THE ASSISTANT. HE WAS HOT. WE WOULD FINISH THIS SHOOT AND AS THEY WERE CLEANING UP, I'D PULL THEM BOTH ONTO THIS BED AND WE'D DO IT RIGHT HERE. SINCE I WAS ALREADY NAKED, SHE WOULD GO DOWN AND LICK MY PUSSY AND I'D HAVE HER SIT ON MY FACE.

THE ASSITANT WOULD GIVE ME A RIDE HOME & I'D BLOW HIM – AGAIN!

WHAT ELSE MAKES YOU HOT – BESIDES ME?
GIVE ME A CALL AND WE CAN TALK ABOUT IT.

She says that she would love to cook a spicy dinner for three people. Herself and another couple. Basa says she would like to make love to a man and woman at the same time.

I would love to suck the man's cock while the woman licks my pussy. Or I would lick her pussy while she sucks his cock. Or we could both suck cock at the same time. Or we...

Until then, I have my trusty vibrator. I'm petite and it's big for me but I like that. It fills my pussy and touches every part of my insides. And I can control the speed of it. Sometimes I like to turn it up full. I think it likes it too.

You can help me replace this vibe with your cock!

lovely Lea

Lea is not your typical mom next door. She's a physicist with a PHD in quantum mechanics. Oh sure, she can bake a pie, and she can also give you the recipe to split an atom. Her latest project for us was to split the lips of her sweet pussy.

Fortunately you get to see the results,

Yes, I went to M.I.T. and have an advanced degree, but that is not as satisfying as having a big cock inside me. I love the feel of that flesh as it enters my pussy. It drives me wild when it starts pumping. My juices begin to flow and if the rhythm is right I can make myself cum in five minutes. But that's just the beginning. I can go all night as long as my guy can too.

There was a night at the physics lab that I was working late with a colleague and the late hours made us lose focus on what we were working on. We decided to stop work because we didn’t want to blow up the lab. Since I had a feeling this might happen, I had taken my clothes off earlier and was naked under my lab coat. After the initial shock we fucked in there for more than two hours.

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.

SWEET AND SASSY

WHEN PEOPLE FIRST MEET ME, I COME OFF AS A REALLY SWEET PERSON.
AFTER THEY GET TO KNOW ME, THEY REALIZE THAT I'M PRETTY SASSY TOO.
AND WHEN THE RIGHT GUY COMES ALONG, I CAN BE DOWNRIGHT SINFUL.

THERE WAS A TIME THAT I WAS WITH A GUY I THOUGHT THAT I WOULD REALLY LIKE. AFTER A COUPLE DATES I TOLD HIM THERE WAS SOMETHING I WANTED TO DO FOR HIM. I INVITED HIM UP TO MY BEDROOM, THEN I MASTURBATED IN FRONT OF HIM. I THINK HE LIKED IT.

ANOTHER TIME, I WAS SHOPPING WITH A GIRLFRIEND AND WE WERE IN THE DRESSING ROOMS TRYING ON NEW CLOTHES. I TOLD HER TO COME TO MINE TO SEE WHAT I WAS WEARING. WHEN SHE OPENED THE DOOR, I WAS STARK NAKED. I PULLED HER IN AND MADE HER FONDLE MY BREASTS AND PUSSY. SHE WAS SHOCKED BUT DID IT ANYWAY, AND WE BECAME LOVERS.

EUROPE'S AMAZING

I saw your cover of 40 plus with Europe Dichan on it and, I have to tell you, she's amazing. I love her look and, man, those boobs. I love big boobs and she seems like she likes hers, too. If I could, if she would allow me, I would take her on a trip to Europe. We could visit Paris and the French Riviera. I know she probably would not sleep with me since it would be our first trip together, but if we went to the Riviera, I could at least see her topless. And, initially that would be great for me. I have tried to imagine laying on a beach chair as she emerges from the ocean with her hair wet and water dripping off her breasts. She would come over to my chair and I would take the beach towel and dry her off, lingering on her chest to get every drop. Then she would ask me to rub suntan lotion on her and I would oblige. I'd get only the good stuff, because that's what she deserves. Can you extend an invitation to her on my behalf? I've included my address and phone number if she would like to call me and let me know if she will go. I'll pay for everything and even pick her up in a limo. We'll go to St. Tropez and stay for a week and then back to Paris for another week in the City of Lights. I know she can't refuse an invitation like that! Please contact me so I can book the airline tickets.

– Randall H., Philadelphia

Dear Randall, That sounds like a great invitation. Unfortunately we do not connect readers with our models. If, however, she reads you letter in this issue and contacts us, we'll be glad to get you two in contact. Randall, if Ms. Dichan passes on your invite, we have a staffer who would love to take you up on it! –Ed.

EUROPE REVISITED

I picked up a copy of your magazine and after looking at Europe, I had to write you. She is one of the hottest older ladies I have ever seen. She's hot and sexy and hot. I love those big breasts and full figure. No little waifs for me. I want a complete woman with a healthy appetite for food and sex. She looks like she could take a pussy pounding, roll over and let you stick it in her ass. The harder you push those buttcheeks, they harder they would push back. She has some nice lingerie on in the pictures but that would not last, I would rip it off her before we hit the bed. I do not want to rub up against cloth. I want to feel her hot skin next to mine. Great job with one hot lady, Keep em cumming!

HORSING AROUND

I'm writing because I know your magazine because my boyfriend subscribes to it. I'm a petite young looking 45-year old and I would like to tell you about a little (no pun intended) affair I had. I've been with Henry for only two years and this happened four years ago, so he wasn't even in the picture. He knows about it and encouraged me to share it with your readers.

I'm about 5 foot and 95 pounds with strawberry blonde hair, a nice rack and a bit of a booty. I grew up in the mid-south and have been around racing horses my whole life. It was 2004 and I was in Louisville in May for the Derby. The weather for a couple weeks prior to the derby was wet most of the time.

Cover girl Europe Dichon has started an avalanche of letter writing to our offices. Quickly becoming a fan fave, Europe is presently reconsidering a new layout for her favorite mag, 40+. If you would like to see more of Europe, write in and let us know. Maybe we can convince her even faster. She said she'd be traveling Asia for a month and would try to give us an answer when she returns from Hong Kong. In the meantime we'll hope she'll give us the answer all her fans really want to hear!

The jockeys couldn't get enough time on the course because of it and mostly sat around the clubhouse playing cards. I was a groomer from a grooming family. My great grandfather started it in the twenties and we've been doing it ever since and I'm the first female to do it. So I've been around horses and jockeys my whole life.

I was grooming one of the twenty or so horses (not the eventual winner, Smarty Jones) competing in that year's race. It was few days before the race and the weather had broken for a few hours. Most of the jockeys were able to get a run in, including mine at the very end

before the rain hit. He made it back to the stables soaking wet and the horse full of mud up to his belly. I gathered up my hoses and brushes and was ready to clean him up. The jockey, Eduardo, walked him into the stables and to his stall at the end of the barn. I was already there standing with brush in hand and a big warm smile for Eduardo. I told him I was sorry the rain cut his run short, but he said it went well and has confidence the horse would perform well on a sloppy track if it rains on Derby day.

We took the horse into the stall and closed the big gate behind us. After unbridling and unsaddling the horse I tied him up. Eduardo sat down on a bale of strapped hay in the corner of the. Before I started grooming the horse, I went over to Eduardo and helped him take off his riding boots. I straddled his leg, back to him, and pulled them off one at a time. As I finished with the second one, he grabbed my hips and pulled me down on his lap. He then reached up and cupped his hands over my breasts. Needless to say, I was quite surprised and didn't know what to do. I had never been approached by any jockey, ever. In the moment I was deciding whether to slap him or not, he slipped a hand inside my shirt and was feeling for my nipple. I stood up quickly and that action ripped a couple buttons off my blouse. He bent down looking for them as I tried to close my torn shirt.

That gave me time to think. As he finds them and stands up to give them to me, I am "angry" and push him down on the hay. He doesn't know what to think as I take a couple steps forward with my brush clutched in my hand. He looks up at me as I'm now standing over him at the foot of the bale. After a moment of glaring at him, I reach down and pull his belt off. And then undo his pants, reach in, grab his cock and squeeze. He gives out muffled groan and as I'm holding it, it begins to get hard. With my free hand I pull off his pants and grab his balls and squeeze. I tell him that if he ever does that again, I would rip these off him and feed it to the horse. His eyes get wide with fear and he stutters that he won't. I begin to walk away and look back to see him clutching his dick and balls. I laugh, turn around and go back to him, take his hands away from his privates and get down on my knees in from of him.

I open his legs, get in between them and push him down on the hay. I take his now-hard cock and begin to stroke it. Hi expression changes from one of fear to one of humble smiles. I bend over and begin to lick his shaft as I keep my eyes on him. His cock head goes into my mouth and I cup his balls gently. No hard squeezing this time. With my lips firmly around his cock, I straighten up a little to take my shirt and bra off. I play with my breasts and nipples as I suck him off. I deep throat him and lick his balls at the same time. Eduardo is now laying all the way back enjoying the attention. I slip off my jeans and panties and climb up on the bale bypassing his dick and squat down on his face. I push my pussy into his face and begin grinding it into him. I feel his nose on my clit as he sticks his tongue into my pussy. I get off and turn around into a reverse cowgirl and grab his dick again. I pump it up and down as his hands circle around my hips and pulls me harder onto his face. Bending over, I begin sucking him and playing with his balls. We're sixty-nining on the hay and going at it like a pair of young bucks.

I cum all over him and as I do he follows, shooting his big, warm load into my mouth. I spit it out onto the hay and get off him like I was getting off a saddle. Standing in front of him. I reiterate what I said earlier. "If you do that again, I'll feed it to the horse." I laughed, grabbed my brush and slapped him across his dick. Eduardo did not win on that Derby Saturday, either.

– Lilly L., Louisville

SHOWER SEX

I was thumbing through your 40+ issue and came across the couple having sex in the shower. I had to write you because I have a shower sex fantasy and that pictorial was just about it. My dream girl is a long-hair brunette with nice full boobs and a little bit older because I have found that older women make better lovers. They usually don't have hang-ups about sex or trying new stuff, because they have probably already done it. They also are ready to please a man where as younger women want to please them selves or just get it over with and then leave because they have things to do, like meet their girlfriends at the mall. What I especially like is when a woman can lick her own boob and even better, if they can suck their own nipple. That's a real turn on to me and if she is sitting on my hard cock and doing that, I can really get off. Hey, just wanted to say thanks for a hot pictorial.

– Edward, San Clemente

FOOTBALL FAN-ATIC

Hey guys, You may think it's funny to make fun of us who like watching football on the Saturday and Sunday, [Sunday Afternoon: Ten tips to keep your man away from the Football Games on TV – pictorial in 40+ #94] but it's our time and we can do what ever we want. With or without our wives or girlfriends horning their way into our weekends! Yeah, the copy was cute and a couple were even funny, but telling a woman to use sex or guile to keep us from the tube is just not cool. I realize these were just captions to go along with the layout, but the point is not lost in all those sexy pictures – girls, do anything to keep your man from watching the game! Football is a release for us who work hard during the week. I try to make time for sex with my wife, and there's plenty of time during the weekend to do it, but not while the tube is on and tuned into ESPN. So

There's nothing like having sex and getting clean at the same time. Do it with a friend and save water.

next time, do us sex magazine buying guys a favor and stick with the sex talk and leave the games alone.

– Fred, Oakland

Dear Fred, You are absolutely right. We should not write what we think. We should take everyone's feeling into account before putting pen to paper. We cannot imagine what the world would be like if every little bit of satire was banished. We will do our best before printing anything that in the smallest little way would upset anyone walking this great land. Thank you for your letter and please be sure to continually monitor our pages so we do not print anything else you might find unacceptable. – Ed.

PIZZA'S ON US

I was having lunch with a couple guys at my house and we were looking at your magazine. We were passing it around and talking about all the hot women and hot sex pictures when Bill spills his beer all over it and the pizza. We did not get to it fast enough before almost all the pages were soaked. The pizza was okay because we eat it wet. We were bummed and decided we wouldn't invite Bill over anymore. Without the magazine and the women to talk about, we had little more to say at lunch. Is there any way you can send us a replacement copy? It's the one with Europe Dichan on the cover.

– Andy, Dallas

Hey Andy, We were so touched by your story that we had to do something about it. After all the tears dried at the office, (the gals here especially felt bad) we decided to send you a new replacement issue in addition to several back issues. The ladies here all chipped in with cash and are buying you a pizza, too. But only on one condition. You have to let Bill back into the group because we are sure he didn't mean to do it. – Ed.

If you have something to say to us, then go write ahead. You can send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

Letters to the editor

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

IS THAT HOT – OR WHAT!

Your last issue of MaXimum MILF was amazing. I cannot believe how hot the cover girls, Bailey and Arin [Erin] are, and what a hot scene they did. That dildo ball/balloon is just the best. I have never seen anything like that before. I can just imagine my wife sitting on it and blowing me at the same time. Would that be hot, or what! Anyway, keep up the good work and I'll keep buying.

– Frankie, L.A. CA

BATHROOM BLISSED!

I do not have great story for you but I'm writing this letter because my husband and I are avid readers of your fabulous magazine. As a woman, I was hesitant about reading MaXimum MILF until one day when he inadvertently left an issue in the bathroom. I have to admit that I am in love with the women in your photos. They seem to have a confidence about them. Not like the eighteen year-olds in other mags. They get me hot and by the time I finish looking them I have to masturbate right away. So I sat on the toilet with no underwear on and slid my hand down there. I had the magazine on my lap and found myself coming after only a few minutes. My husband doesn't get me off that fast. Darn, I hear him at the door. So keep up the great work, and please don't change a thing.

– Natalia, Washington D.C.

Bailey and Erin generated a lot of mail. They proved to be really big fan favorites so we have asked that they come back for another pictorial. Bailey was all for it. Erin has since moved but Bailey said she would try to get in touch with her. – the editors.

TWOSOME THREESOME

I want to congratulate you on the Erin & Bailey pictorial. I've always enjoyed the fantasy element in two women getting it on and this is really hot stuff. Like most people, I think there's nothing more tempting than two beautiful women together. So, I have to tell you – My best friend, Jennifer, gave me an all-girl bridal shower, with a twist. There were about twelve of us in the hotel room sitting around talking, drinking champagne and playing those silly games when the doorbell rings. Jen answers the door and it's the hotel manager. There is another man with him identifying himself as hotel security. He has a black briefcase with him and as they walk in he puts it on the table next to the sofa. The manager asks what's going on, there were noise complaints. Jen tells him it's bridal shower party. The security guard asks who's the bride-to-be? They all point to me and I turn bright red. The two men look at each other and the manager leaves the room. The security guy comes over to me, takes me by the hand and sits me in a chair in the middle of the room. I think I'm beginning to figure out what's going to happen. He opens the briefcase and turns on the cd player inside it. He strips off his suit as the other girls begin to cheer him on. He then began to dance around me in the chair, bobbing his g-string-slung cock in front of my face. Jennifer was behind him laughing and dancing in sync with his every move. He straddles my legs and begins to shake it even harder when all of a sudden Jen yanks his g-string down and his hard cock pops up right in front of my face almost hitting my chin. The girls scream out in approval and urge me on with shouts of "Suck him!!" Not wanting to let them down, I reached out and started rubbing the monster cock in front of me. He moved towards me, plunged his huge penis into my mouth, and started slowly pumping in and out. As the girls cheered us on, he picked up the pace, fucking my mouth as fast as he could. After a while he stopped and told me to suck hard on the head, then he pulled away and shot cum everywhere. It was great and all the girls cheered. After his little show, everyone left except the security guard, Jennifer and me. We all ended up in the bedroom and they both undressed me. He buried his face between my thighs and began licking and sucking on my pussy while Jennifer licked and sucked his cock. He got up and placed the head of his cock at my slit, with one swift stroke, he dove it into me as deep as it would go. He began pumping fast and hard. I was shocked when Jennifer moved around and Jennifer began, sucking on my nipples. She then straddled my face while facing the stripper and

lowered her pussy down to my mouth. I was now eating pussy for the first time in my life. After about ten minutes the guy pulled out and shot his load onto my chest. We did this off and on all night. We have all gotten together six times in the past month. I now seem to be addicted to this type of sex, and do not know if I can settle for marriage and straight sex any more. Do you think this is a passing phase or should I call off the marriage for now?

– Arlene, Boston

Arlene, Sex is a natural and necessary function, without which one is not a complete person. You do seem to be hooked on it. But it is still seems a healthy passion, not an addiction. You are much too young to settle down to boring domesticity, although if you want to move in with one guy, it's worth a try to see how you like it. Married or not, he might hit the ceiling if you do a repeat performance. Contemplate giving up the idea of marriage or make it clear to your boy friend that you want to have the type of sexual freedom that allows for your self-expression. However, consider living with him for a while to see how you two get along. – Ed.

WHEN THE CAT'S AWAY

Dear Editor,

I've been a loyal reader for many years and am finally getting around to writing you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the boy-girl and girl-girl couplings. It's nice to see young people, supposedly married, doing things most of us only can dream about.

To that end, I just want to comment about those two super sexy felines in the pictorial *When the Cat's Away*. I love exotic women and those two were the cats meow. The long hair, the long fingernails, the long tongues, that all made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers. If you could find it in your heart, and in your library, can you print just one more picture of them. It doesn't have to be a sex shot, just something that when I'm looking at the next issue, I'll see their photo and it will remind me of them in the last issue. Thanks a bunch.

– Eddie, Spokane

Eddie, We can't refuse a request like that. But we're going to tease you with a shot of Rada's face. You'll have to go back tho that last issue to see Zlata's face, but we don't think you'll mind doing that. – Ed.

JAMMIN' IN JAMMIES

I was vacationing with my wife at one of those couple's resorts in the Caribbean and I have a story that your readers may like. It was our third night there and we had just finished a late dinner. We went back to the room, which, like many others, overlooks the pool area. The pool was deserted except for a couple young ladies still laying back on the beach chair. I was out on the balcony taking in the warm breeze when I noticed them. As I watched, one got off her chair and went to the other's who seemed to welcome her by spreading her legs open. The first girl knelt down and pulled her friends bikini bottom off and started licking her pussy. I rubbed my eyes to be sure I was seeing straight. I called to my wife to come see this. She came out to the balcony and took a look. She turns around to walk back into the room, but sneaks right behind me and slides her hand down my loose pajama pants. She starts stroking my semi-hard cock and brings me up hard immediately. She lets go for a moment to pull by jammies just below my butt so my cock could free itself. She grabs it again from behind and starts to stroke me harder. She whispers in my ear that I should keep watching the girls. After a few minutes I hear one of them moaning as is she is coming and then let a moan out as I cum right after her. I spew it over the balcony and look down hoping I didn't hit anyone with it. Now that was fun!

– Buddy, Atlanta
